

NAZ RESULTS SUMMARY

MULTIGENERATIONAL INNOVATION AT WORK

2020

NAZ is working. Working with 35+ partners, NAZ is making multigenerational change in North Minneapolis. Our goal of closing the achievement gap using education as a lever, requires innovation, nimble and flexible leadership, and deep connection to community. Our place-based partnerships are working to deliver population-level results.

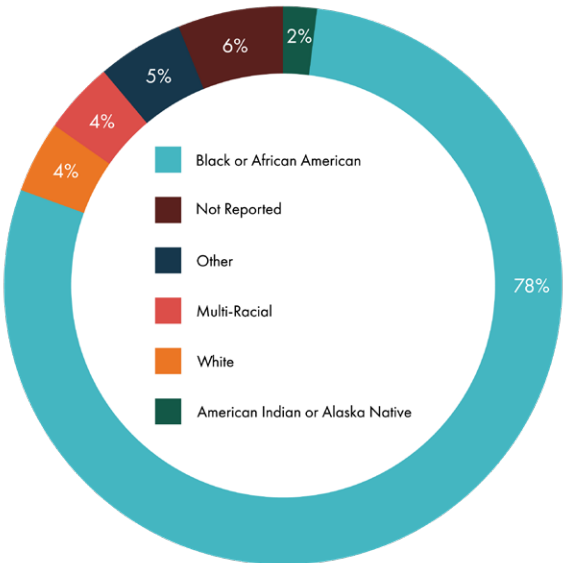

- NAZ connects with scholars and families furthest behind and in greatest need.
- More NAZ is better.
- Scholars in NAZ academic strategies have higher rates of proficiency than other comparable Northside scholars.
- NAZ scholars in anchor schools are outperforming those in non-anchor schools.
- NAZ has significantly increased access to high quality early learning.

Our results prove that with long-term commitment, NAZ scholars can and will succeed.

—EARLY CHILDHOOD

NAZ has significantly increased access to early childhood education

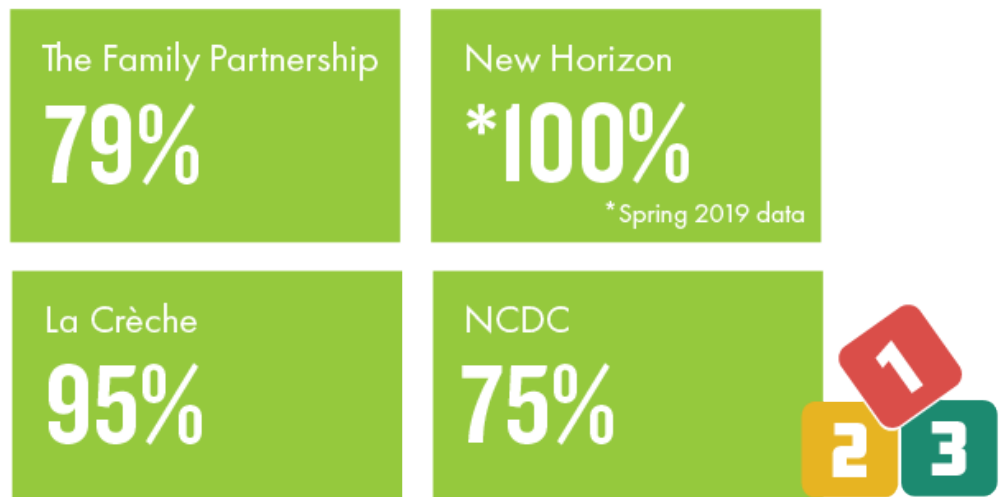

40% of NAZ early learners received an early child education scholarship in FY 19.

NAZ has increased high-quality early learning placements by 47% since 2017.

NAZ Partner sites are reporting high percentages of Kindergarten-readiness

Note: Data is self-reported by centers and reflects all rising kindergarteners at the center in Spring/Summer 2018. Three different assessments are used across these four centers. Two of the centers used Teaching Strategies Gold, a State of Minnesota approved assessment.
